ABOUT STEPHEN SCOTT JOHNSON

Stephen Scott Johnson is an expert in change management and leading authority on purpose-driven enterprise. He is the author of *EMERGENT - Ignite Purpose, Transform Culture, Make Change Stick* - an essential guide for conscious leadership.

Stephen is passionate about high performance. He has more than two decades of global business experience as a professional mentor and strategist, working with public and private sector organisations to help them thrive in times of uncertainty, change and transformation. Clients include Sanofi-Aventis, Laminex, Newcrest Mining, Ernst & Young, University of Sydney, Ecostore, and Unilever, to name a few.

It's no secret Stephen loves an audience. A dynamic professional speaker who blends contemporary insight with pragmatic advice, he equips audiences with tools and strategies that empower them to lead with greater clarity and impact. Stephen's keynotes include TedX, London Festival, South by Southwest Festival, and Creative Innovation Global. His contribution to industry is critically acclaimed in Fast Company, BRW, Huffington Post, Marketing Mag, and The Age, with accolades including Cannes Lion, AIMIA and webby.
